

A Public Hearing was held at 7:00 PM at the North Town Hall on Monday, November 8, 2004 for the purpose of public questions or comments regarding the revised Insurance Tax Collection Ordinance. All Council members, Mayor Jeffcoat, and Administrator Russell Ott were present. The Mayor declared a quorum and called the meeting to Order.

Mr. Ott advised Council that the revision of this Ordinance by MASC is to insure that the Town receives a tax from all residents in Town who pay insurance premiums to Insurance Companies. The Municipal Association will continue to collect this money for us.

There were no Public questions or comments. A motion to adjourn the meeting was made by Ms. Cook, seconded by Mrs. Lane, and passed unanimously by Council.

The meeting was adjourned at 7:10 PM.

Respectfully submitted,

Cheryl H. Townsend
Town Clerk
